Feedback from presentation with Mr Burnham

Colour Dash

- Happy for this to happen. Not this year as when we return in September the weather will be changing. Probably be next March / April when weather warming up. Will start planning the colour dash in January.
- Explained what a “colour Dash” is for students who wasn’t in meeting when Mrs Wooton mentioned it

Stationary

- Loves this idea. And wants this to happen every day. Rota to be created ready for September.

Canteen

- Mr Burnham has written a list of food / drinks and will be having a meeting with canteen staff and will discuss the portion sizes
- Student council are to look at other school menus (other WPT School dinner menus are online) and decide what they’d like to see on the menu. Maybe have theme days.
- Mr Burnham said they are looking to upgrade the chairs / tables in the canteen to fixed tables and chairs.
- There isn’t enough food for everyone which Miss Herridge and Mr Burnham agreed with. Needs to be same amount of food at Break 1 & 2.
- Fruit is available but hasn’t been put out but this will be put out from now on

- Breakfast club – variety of choice – cereal / bagels
- Paper menus are available near the sandwich bar

Break rooms

- Happy to trail KS3 & KS4 room during breaks
- Pass card entry only
- Rooms have to be tidy when leaving

Toilets

- Trial KS3 & KS4 toilets for younger students to feel comfortable
