

School Council meeting 10.05.23

Present –

- Brooke Duke
- Millie Mylett
- Amelia Chadwick
- Darby Goodhall
- Levi Lancaster
- Rhianna Goodinson
- Zeeshan Hussain
- Leanna Sludden
- Fin Challis
- Sunny Ward
- Morgan Wilson
- Mrs Wooton
- Mrs Moxon

Stationary sales feedback

- Some resilience / conflict from some students
- Teaching students to take responsibility for their self and stationary
- Money that has been made on the stationary will be put back into the funds. This is will prevent teachers spending their own money on stationary for school
- The younger students felt supported by having a older student with them for a confidence boost.
- they didn't have a system in place – made a tally of what was sold.
- Rota will be emailed out to students.
- Thought to do the sale one every 3 days.

Toilet

- Escorting students to the toilet – sometimes students aren't being picked up for the toilet. Thought year managers don't have enough time to complete this task as they have other tasks they have to do. Mrs Wooton explained the reason for escorting to toilet – i.e was year managers decision to implement this / to reduce the cost of damage / break times are for toilets to be used / if someone needs to use the toilet frequently, they'll have a toilet pass.
- Boys toilets don't have any locks on them. No privacy
- There are some students who sit in the toilets and vape / sit on the sink and don't feel comfortable with this.
 - **Solution** – TA's could take students to toilets – but certain TA's have to be with students through out the day for medical reason and can't leave class to take students to toilet.

- Have a toilet pass for student and one member of staff sat out the toilet and allow students in that way. Mrs Wooton explained it would prevent the damages cost but it could also have an increase effect on student truanting around school.
- Mrs Wooton said if anyone see vaping / student sat on the toilet to come and speak to the staff member on duty and discreetly ask them to check the toilets.

Non uniform days

- it has been discussed in forms to have non uniform days throughout the year –
 - themed days
 - charity / donation days (no minimum price)

Actions

- **Mrs Wooton to add Zaashan Hussain to the mailing list**
