5. Introduction

As the school is an academy status school, the Wickersley Partnership Trust is the Admissions Authority and has the responsibility to set admissions arrangements for the school in compliance with the School Admissions Code 2021.

The below sets out the admissions arrangements for entry to Year 7 in September 2028 and includes the oversubscription criteria that will be applied in the event that there are more applications than places available.

Where the published admission number for the school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those who, on 31st October 2027 (which is the National Closing Date), live closest to the school measured

in a straight line on a horizontal plane (commonly known as a measurement, “as the crow flies”). Distance measurements are calculated (by the Local Authority Admissions Team) using a Geographical Information System which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used.

Where places are being allocated based on the distance criteria or as part of the distance tie breaker, and there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, then any final place will be allocated by the simple drawing of lots by a representative of the Local Authority independent of the School Admissions Team.

Where applications are received for twins, triplets, siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

Places will be allocated in accordance with the LA’s co-ordinated admissions schemes for Secondary schools. In assessing preferences, the LA will operate an ‘equal preference’ system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest preferred school as named on the application form of the potential offer schools.

Children issued with an Education and Health Care Plan will gain a place at the school named in the plan as part of that process.

6. Catchment Area

7. Applications

Parents/carers should submit their secondary school application by the National closing date of **31 October 2027** to ensure their application is considered as an on time application in the first round of school offers.

Apply for a school place – Rotherham Metropolitan Borough Council

The Published Admission Number (PAN) for entry to Year 7 for the 2028/29 Academic Year is:	140
Places will be allocated using the following Admissions Criteria:	
Children with Special Educational Needs:	A small number of children will have an Education, Health and Care Plan (EHCP) that names a school, and these children must be admitted to the school named as part of that process. The majority of children with special educational needs will not require an EHCP. Applications for children who have special educational needs but no EHCP, will be considered on the basis of the Admission Authority's published admissions criteria.
In the event that there are more applications than places available, the following oversubscription criteria will be applied:	
For all other applications places will be allocated in the following order of priority:	• Looked After Children and previously Looked After Children (see note (a) below for the full definition). • Children who, on 31st October 2027, live in the catchment area of the school as defined by the Admission Authority and it is expected will have an older sibling on the roll of this school in Years 8-11 at the start of the academic year 2028 (see notes (b), (c), (d) & (e) below) • Children who, on 31st October 2027, live in the catchment area of this school as defined by the Admission Authority (see note (b) and (c) below) • Children who, on 31st October 2027, it is expected will have an older sibling on the roll of this school in Years 8-11 at the start of the academic year 2028 (see notes (d) and (e) below) • Children who, on 31st October 2027, are on the roll of one of our associated primary/ junior/junior and infant catchment area schools (feeder schools) as identified by the Admissions Authority. (see note (f) below) • Children who, on 31st October 2027, live nearest to the school measured by a straight line on a horizontal plane, (commonly known as a measurement "as the crow flies").

Please Note:
In the event of over-subscription (the PAN being reached) within any criterion, preference will be given to children who live nearest to the school on a straight-line measurement commonly known as 'as the crow flies'.

Straight line distance is calculated electronically to three figures after the decimal point (e.g. 1.234 miles) by the Local Authority school admissions team.

Distance measurements are calculated (by the Local Authority Admissions Team) using GIS which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used. In the event of two distances being equal, lots will be drawn by a representative independent of the admission authority.

Notes

a) A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). All references to previously looked after children in the Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

b) Places will be allocated based on your residential address on 31st October 2027. Therefore, you must notify the Local Authority Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g. utility/council tax bill). Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residency at the property concerned. The School / Trust / Local Authority reserves the right to request an affidavit where there is uncertainty regarding a child's ordinary place of residence.

c) 50/50 custody of a child - where a child lives with parents in a 50/50 custody arrangement, the Trust / School / Local Authority will use the main residence as:

- Whichever parent is claiming child benefit - this address will be used
- The address outlined in a court arrangement instruction as main address
- Stated in a Solicitor or Notary affidavit

To determine main residence in relation to the allocation of a school place.

d) For a child to be considered a sibling, one of the following conditions must exist: (you may be asked to provide proof e.g., Birth Certificate and proof of residence)

- Brother/sister to be permanently resident at the same address.
- Stepbrother/stepsister to be permanently resident at the same address.
- Half-brother/half-sister to be permanently resident at the same address.
- Brother/sister who do not live at the same residence but, who share the same parents.
- Child of the parent/carer's partner to be permanently resident at the same address.
- Adopted brother/sister permanently resident at the same address
- Foster brother/sister resident at the same address

e) Children with an older sibling on the roll of the school who will be in **Years 8-11** for the commencement of the 2028/29 academic year and are on the roll of the school on 31st October 2027**.**

f) **The Associated Primary (Feeder) Schools are:** Foljambe, High Greave, Thrybergh, Thrybergh Fullerton CE, Trinity Croft CE.

Additional Note: Children of UK service personnel (UK Armed Forces) – For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children.

8. Waiting Lists

On the National Offer Day of 1st March 2028 (or first working day after where the 1st falls on a weekend), the Local Authority Admissions Team will establish a waiting list for secondary schools in Rotherham where the number of applications for those schools has exceeded the available places in Year 7.

The Local Authority Admissions Team will administer the waiting list on behalf of this school which will operate until the 31st December 2028 when it will cease.

The child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made. Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria, with no reference to the date of receipt of the application. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list. Should a place become available it will be allocated to the child whose name is at the top of the waiting list on the day that the Local Authority receives written confirmation of the vacancy.

9. In-Year Admissions – Transferring During the School Year

A paper copy of the application form can be requested from the Admissions Team:

Telephone: 01709 823777
or
E-mail: admissions.enquiries@rotherham.gov.uk

If you are moving homes, please apply in advance of your move to reduce the risk of your child being out of school while your application is processed. You will need to provide details of your new address and when you intend to move.

You are advised to discuss your transfer request with a member of staff at your child's present school.

The Local Authority Admissions Team will record all in-year transfer applications and will forward your application via secure email for consideration by the relevant Admissions Authority.

- Applications received will be forwarded to preferred schools on the day of receipt where possible, or the following working (school) day.
- Applications received during a weekend or bank holiday or during school holidays will be forwarded to the preferred schools on the next working (school) day.

It is not possible to process any applications during school holidays and your application will be considered as soon as schools re-open. Schools are required to respond to in-year transfer requests within a **maximum of 15 school days** from receipt of the application therefore, although in-year applications may be forwarded to schools during

school holiday periods, it is unlikely that you will be notified of the outcome of your application until schools re-open and the 15-school day response time commences.

In many cases a child will transfer to a new school only at the beginning of a new term, unless there is agreement by all concerned that the transfer should take place earlier. Until the transfer arrangements have been approved it is expected that your child will continue to attend their present school.

Parents can make applications up to one term before the date when they would like their child to start at the preferred school. Parents can apply from the 1 May onwards for Admission in the following September. Any application for admission in the following September which is received prior to this date will be considered as having been received on 1st May.

You will be notified in writing of the outcome of your application. This decision will usually be sent on behalf of the Governing Body (as the Admissions Authority) by the Local Authority Admissions Team.

It should be noted that it is the Local Authority's policy that repeat applications made for entry to the same year group at the same school will not be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission.

10. Information on Appeals

Where it is not possible to offer your child a place at the school you have applied for, you will receive a letter advising you of the reasons for this decision. This will usually be sent on behalf of the Governing Body / Trustees (as the Admissions Authority) by the Local Authority Admissions Team.

All parents/carers have the right of appeal to an independent appeal panel if you have received written confirmation that it has not been possible to offer your child a place at the schools you have applied for.

All independent appeals are organised by an Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process are independent of the Admissions Authority.

Important requirements to note are:

- Appeals must be in writing stating the grounds on which the appeal is made;
- Every parent has the right to attend the independent appeal in order to make their case;
- The parent can be accompanied by a friend or be represented by them;
- Independent appeals are heard in private;
- The decision of the Appeals Panel is binding on both parents and the Admissions Authority;
- Parents will receive written notification of the Appeals Panel decision.
- Dates – (parents will be advised at the earliest opportunity of appeal dates by the Clerk)

11. General Information on Appeals

A separate document containing details of the appeals procedure is available from the LA to parents whose applications could not be satisfied.

Any member of the Authority may attend, as an observer, any hearing by an Independent Appeal Panel established by the Authority.

Parents will be given at least 14 days written notice of the date, time and place of the appeal hearing and will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.

If a parent does not attend the appeal or is not represented by another person the hearing may be held and the case dealt with in the absence of the parent using only the written documentation submitted.

In some cases, parents who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents do not have the right of another appeal.
